**Patriot Preparatory Academy:
Community Service (Grades 9-12)**

I. Requirements

Each student in the 9th through 12th grades must complete 5 hours of community service **each quarter**. The student must meet these requirements in order to graduate or to return to Patriot Preparatory Academy the next school year. To report hours served, the student will turn in a Community Service Requirement form signed by the adult supervisor. **All activities that are not listed below must be pre-approved by Mr. Smith, Mr. Towell, or Ms. Dwyer PRIOR to beginning the activity.**

II. Purpose

Our desire is that our students develop a commitment to serve those in their community. As a college prep program, students are required to do a minimum of 20 hours of community service per academic year.

III. The completed community service form must be given to Ms. Dwyer at the end of each quarter on the specified date given by administration (see other side of this form for specific dates). If the completed record is not received by Ms. Dwyer on the given day at the end of the quarter, the hours will not be counted.
